Wirral Wheelers Mow Cop Challenge 2017

Dear Rider

Happy New Year

The short darker days of winter are still with us, but why not look forward to the spring and the Wirral Wheelers Mow Cop Challenge 2017 on what hopefully will be a sunny 30th of April (Bank Holiday Weekend). Show off your early season's fitness on this year's new route. This event is being run by Wirral Wheelers, a Cycling UK affiliated club. A percentage of the event's profit will be given to charity.

Entry is now open for 2016 riders - early booking is recommended, don't leave it too late.

This early season challenge is a round route, starting and finishing at Waverton, mainly comprising lanes and minor roads with a total distance of 70 - 80 miles, heading into East Cheshire and including the famous Killer Mile of Mow Cop.

The event is not a race and riders are invited to complete the course within 7 hours. The course is on public roads which are not closed for the event and riders must therefore ride with due care and respect for other road users.

Refreshments will be provided at all controls. Full route details will be emailed to entrants and advisory notes and rider packs will be ready on the day of the event.

The entry fee is £14.50.

Includes:

Danish Pastries at start / finish (Teas, Coffee, Juice etc)
Lunch midway through (Beans on Toast, Cakes, Teas, Coffee etc). More Cake for 2017.
Plenty of car parking at HQ
Electronic Tag
Route Signs throughout & GPS Mapping
Support vehicle for emergencies
Event is registered with Cycling UK

Please note that the start/finish is Waverton Village Hall - CH3 7QT.

Entries are non-refundable or transferable and must be received before 31st March 2017.

Early entry is a must to guarantee your place.
Special Award for all finishers.

Places limited to 250 riders max.
A percentage of profits will again be given to a local charity.
