PARENTAL CONSENT FORM

Notes for Parents & Guardians

All participants under the age of 18 must have a signed CTC parental consent form. The only exemption is where a young person having reached the age of 16 can prove that they are no longer living with their parents or guardian and are living as an independent adult. This needs to be proven by the supply of evidence such as a rent book or utility bill with the person's current address in their name or a National Students Union membership card.

Unaccompanied children on the rides listed on the accompanying Event Details & Conditions sheet must be at least 16 years old on 1st January 2010.

Children aged 16 to 17 may participate unaccompanied **if** they have parental permission **and** the parental consent form is signed.

Parents or guardians must be aware:

- of the demands of this cycling event and that they alone make the decision about the ability of their child to complete the ride.
- that the child may cycle with other adults and / or with children, but that there is also a likelihood of the child cycling on their own (for example in treasure hunt events).
- that while CTC extends a welcome to cyclists of all ages and abilities, no special provision for children is provided on this event.

Arrangements to get to and from the ride are the sole responsibility of the parent or guardian.

CTC, its members, agents and other participants may take photographs during the course of this event, mostly for private use but some may be for local or national publicity purposes. It may be difficult to ensure that photographs in which your child appears will not be used in any way. **If you have concerns about this please speak to the leader/organiser.**

I consent for the child named overleaf on the entry form to participate in the cycle ride listed. I have read and understood the Notes above.
