

Chester and North Wales Hill Climb and Freewheel Competitions

Saturday 1st October 2016

(First competition starts at 11.30)

OS map 116 Ref 148523

Competitors for these events should note that the climb is about one mile in length. After the Hill Climb competitors will cycle down to the village of Graigfechan for the Freewheeling Competition. People are invited to enter one or both of the competitions, or just to shout encouragement to the riders.

These events do count towards the Tourist Competition, but they are primarily 'fun' competitions which allow members of the CTC to enjoy a social day out. The end of the freewheeling course is outside the Three Pigeons pub, and the results are announced and the presentations made at this venue during lunch.

Following the success last year of pre-booking meals, the Three Pigeons has asked that people pre-order lunch if possible as it results in much faster service. Please inform Lowri Evans of your choice by the morning of Friday 30th so that the list can be passed onto the pub (the menu is online at <http://threepigeonsinn.co.uk/>). Those who don't pre-order will still be able to order on the day but may have to wait longer to be served. There may be an event at the pub with a BBQ where burgers etc can be purchased without pre-ordering - however, the management will not be deciding on this until just before the weekend.

Parking will be available at the Three Pigeons in Graigfechan and will be available (at your own risk) at Llysfasi College where a small donation to their chosen charity for the year (Air ambulance) would be appreciated.

Entry fees: £1 per event

Entry forms are downloadable from the Chester and N Wales CTC website.

For further information please contact the organiser:

Lowri Evans, 86 Bro Deg, Ruthin, Denbighshire, LL15 1XY.
