

## RIDE ROUTE 5

Your chance to meet and ride with other members of

### **CHESTER AND NORTH WALES CTC**

*After Development Officer, Sue Booth, rode from Holyhead to Chester to celebrate our 70<sup>th</sup> Anniversary in 2009, meeting up with other members on the way, this is a suggestion to encourage more meeting and mixing by our members. Route 5 is, more or less, the route that links us all together. It includes lengthy, safe off-road sections and is therefore suitable for a range of abilities.*

### WHEN?

**SUNDAY MAY 2<sup>ND</sup>  
BANK HOLIDAY MONDAY MAY 3<sup>RD</sup>.**

### YOU DON'T HAVE TO RIDE ALL OF IT

### SO – here are some suggestions - YOU CAN:

(such as the off road stretches)*
- ÿ *Ride all the way from Chester to Holyhead  
(or from Holyhead to Chester)*
- ÿ *Ride there and back over two days.  
(Stay in a YH, camp - or even make it a night ride)*
- ÿ *Ride all of it in a 'relay' with others in your group.*
- ÿ *Incorporate some of it in your normal Sunday ride.*
- ÿ *Get sponsored for your favourite charity - or not.*
- ÿ *Meet your fellow cyclists en route at cafes and  
pubs - suggested locations to follow.*
- ÿ *Make a long weekend of it by taking part in the
