

Ice Cream Farm -14th February 2010

Let's start with the previous evening shall we?

The Two Mills Dinner in Parkgate

What a splendid affair!

The food, the company, the mystery raffle and of course **Mike's amusing speech.** How I envy him his mastery of the double entendre.

Janet and Bob!

Roy's birthday card surprise

Many thanks Barbara

We look forward to your next event: Lunch at The Cheshire Cat. Sunday 21st March.

Andy and the Raffle Cash

And so to Roy's ride

The destination had to be changed to the Ice Cream Farm because the owners of the café at the 50p shop were on holiday.

The day dawned bright and dry, so we were lucky enough to arrive at the Eureka just before the now familiar queue formed for the counter - this week, well out into the car park!

Roy wisely decided, for safety reasons, to split the 20 or so riders in to two groups, which met again for 11's and lunch.

It was our first visit to the farm for many months so we were pleased that both the food and quick service were as good as ever.

Thanks for the ride Roy; you were lucky with the weather for a change!
