

Cheshire Ice cream Farm - 5th December 2010

Annabel, very sensibly, decided not to lead the ride this week. It was therefore **officially cancelled**.

However, Janet did ride to the Eureka to meet Peter who had gone by car.

Jane also arrived by bike, returning home via a Food Fayre in Port Sunlight.

On her way home, Janet met Sylvia and Brian who persuaded her to join them in an attempt to ride to the Ice cream Farm. Unsurprisingly, they only got as far as Dunkirk Railway Bridge before both Silvia & Brian were grounded by the ice. Fortunately, neither were hurt.

The trio then returned home! Enough said?

Jill and I, meanwhile, noting the weather conditions, elected to visit an ailing daughter in Prescot. **We joined the queue for fuel.**

There had been none the day before due to panic buying.

We went via **Runcorn** to check on some **interesting road signs.**

Our family visit over, we returned home: but what to do with the rest of the day?

Well - **post the rest of the Xmas cards** and the all important **voting form to CTC NO for the Charity Status issue.**

Done yours yet?

Assemble and decorate the Xmas tree: so many lights and things but **Jill finished it off.**

Make a start on the **soup for the Bromley Bash 19th December.** All are welcome.

Please bring along a small gift for the raffle.

All proceeds will go towards Club funds.

Finally, because we have both now had our Winter Heating Allowance, we turned on the central heating, sat down and had a rest!
